Objective:
Aspiring backend developer currently pursuing a BCom in Information Systems and Mathematical Statistics at UWC. Seeking an internship opportunity to apply and expand my technical skills, while contributing to real-world projects and solving meaningful problems through technology.

Experience:
IT Tutor – Independent Examination Board (IEB) Candidates
Freelance | 2023 – Present

- Tutored high school learners in Information Technology, focusing on exam preparation for the IEB curriculum.
- Simplified complex programming concepts and supported learners with practical problem-solving in Java and theory components.
- Developed revision schedules and mock assessments to improve learner confidence and performance.

Event Coordinator (Student Leadership Team)
High School – Southdown's College | 2022 – 2023

- Assisted in planning and executing various school events, including the annual "DepuTea" fundraiser.
- Managed logistics, liaised with vendors, and ensured smooth coordination of event day activities.
- Helped raise funds and promote school spirit through well-executed student-led initiatives.

Technical Projects:
FestivalPassV1 – Java-Based Festival Management System
University Project | 2024 – Present

- Designed and developed a multi-role application for managing vendors, customers, and staff in a festival environment
- Implemented a relational database using MS SQL and built the UI using Java Swing
- Demonstrated functionality including ticket sales tracking, stage setup scheduling, and vendor application workflows
- Used for academic showcase and portfolio development

Education:
Bachelor of Commerce (BCom) in Information Systems
University of the Western Cape | 2024 – Present

- Elective: Mathematical Statistics
- Coursework includes software development, database design, business analysis, and systems thinking

National Senior Certificate (IEB)
Southdown's College | Graduated 2023

- Deputy Head boy (2023)
- Subjects included Information Technology, Mathematics, and Computer Application Technology
- Actively involved in student leadership and school event coordination
